Mary Ann,

I just want you to know that you are a very special person to me. I was very worried about you in the hospital and I'm glad you pulled through alright.

I can't say good luck because I don't feel you need it. You'll go far without any help from anyone just because you're the person you are.

I hope you and Roy are happy always.

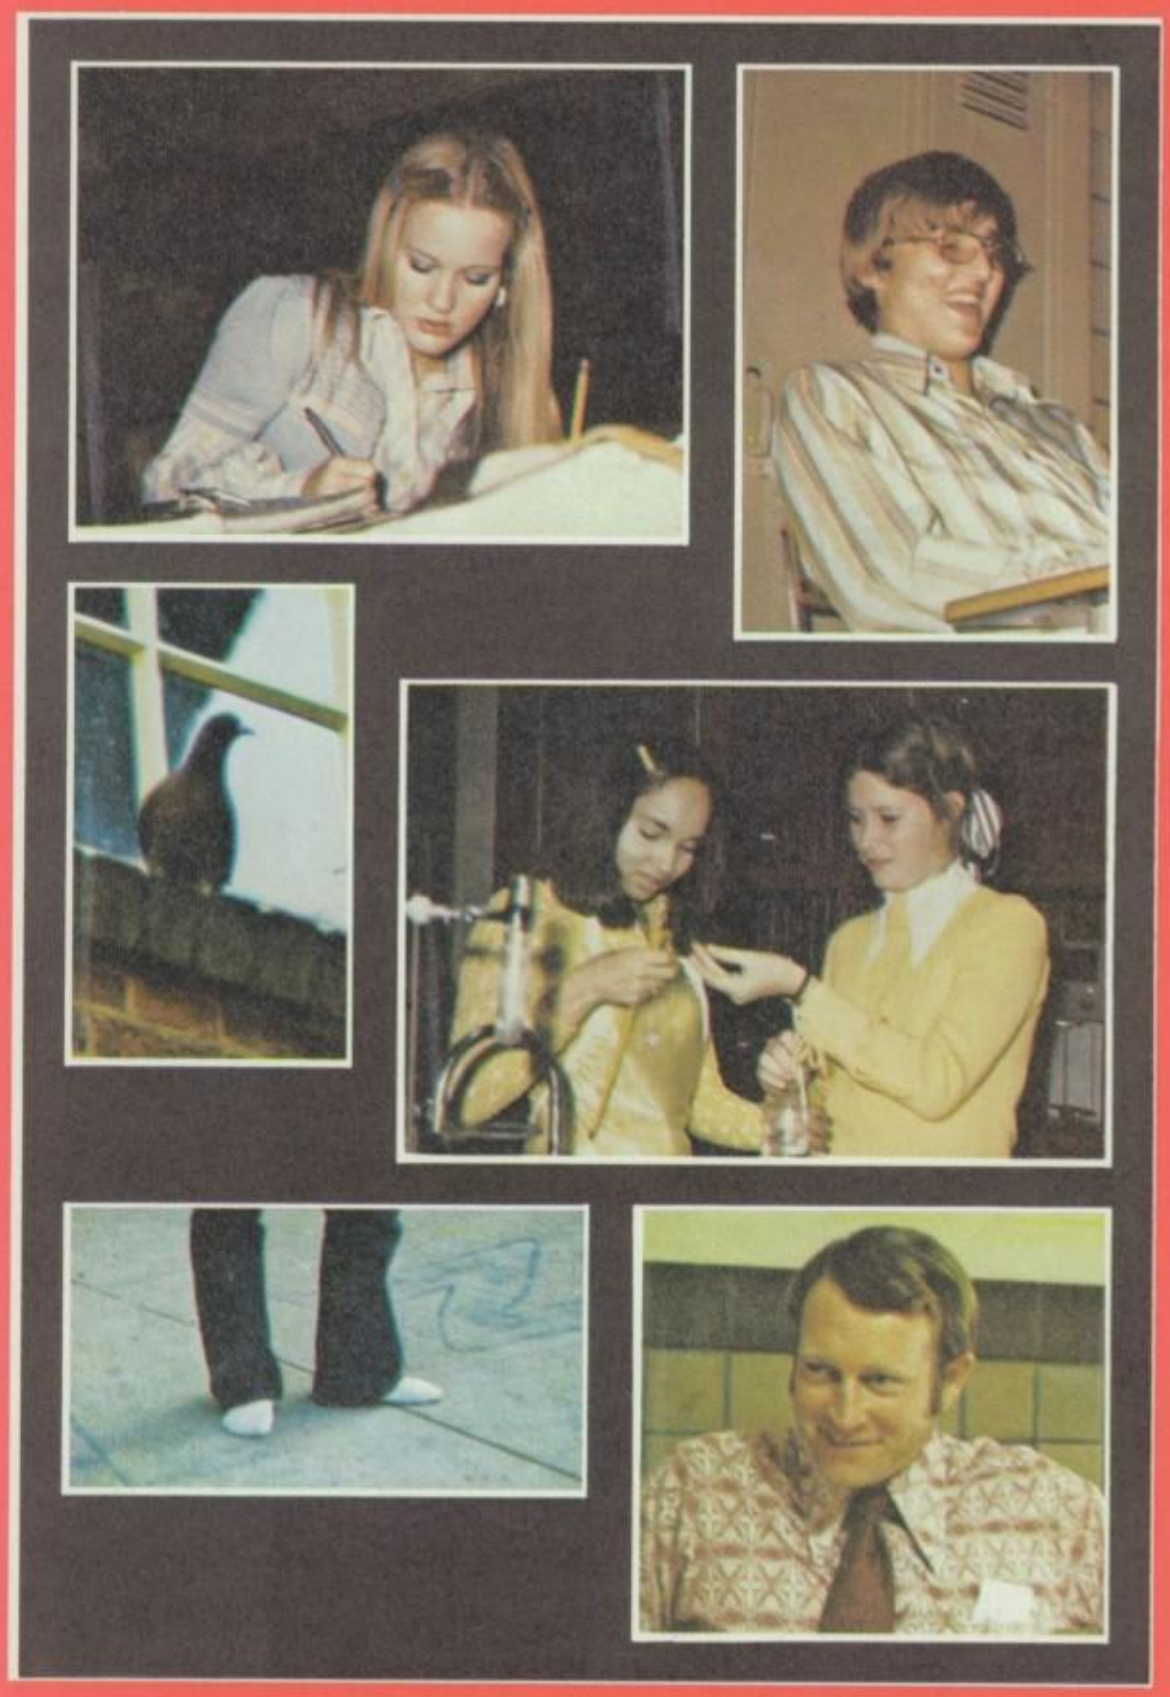
Story



People Helping People

Helping students earn better grades was the goal Mr. Pierce has set for this school year. In order to achieve these goals Mr. Pierce originated two special programs.

One was a tutoring service in the study hall. Students received help from other students in subjects they were having trouble in. The other program was a reading class started this year to aid students with reading problems.

Maintaining the student's interest in school was another objective of Mr. Pierce. He stated, "People helping people is what it's all about." He feels unity and good spirit along with good cooperation have made a fine student body.

Away from the school, Mr. Pierce enjoys all sports, television, and hunting. Spare time around the house is spent working on the family car and playing handyman for his wife, Jean.

He and his wife have three children at home, a married daughter, and a large "family" of students at school.

Superintendent Stresses Public Relations

The Dallas Independent School District is making great efforts to respond to the needs of the community. Superintendent Estes has held public Wednesday forums in different areas of the city. This enabled him to discuss with parents their concerns about local school problems.

Also, local radio stations broadcasted the District weekly "Dallas School Report." Dr. Estes is also working within the school with such projects as EAR — Enroll, Attend, Remain, a program set up to work on the dropout problem. The Tutoring Program is another project designed to aid students at school.

Woodrow has its first loss, September 8, at Williams Stadium in Garland. Jumping to what looked like a strong lead, Woodrow scored twenty points against the Garland Owls in the first half. David England passed to Jimmerson for a 57-yard run by Louis Prestwood and a one-yard drive by England.

The fans saw a new game the second half when the Owls got rolling with a 17-yard TD drive and did not slow down till the score was 41 to 20, Garland's favor.

Texarkana easily defeated Woodrow on September 15 at Forester Field with a score of 21 to 0. Neither the Wildcats nor the Tigers could move the ball in the first quarter.
In the second quarter the Tigers got it together and scored two touchdowns. The Tigers' third and last TD was scored in the second half. Woodrow was never able to get rolling.

Woodrow Socks It To S.O.C.

History was made at 4:30 p.m., October 20, in the Cotton Bowl when the Woodrow Wilson Wildcats defeated South Oak Cliff. The highly rated SOC team started the game with a TD early in the first quarter. Woodrow blocked the extra-point kick. In the second period the pepped up Wildcats scored seven points with a run and kick by Bill Goodwin. SOC scored once more in the second half but, again, were not able to make the extra point. Louis Prestwood scored Woodrow's other TD, and with the help of Goodwin's talented toe the Wildcats won the game, 14 to 12.

The Wildcats hung on to a narrow lead, to beat Adamson at Cobb Stadium, October 12. When the game was over there was a sigh of relief from all the Woodrow fans.

In the first period, Louis Prestwood ran for a TD which had been set up by an Adamson fumble. There was no scoring till the third quarter, when the Leopards made two touchdowns. Both extra-point attempts failed, and the score was 12 to 7. An England-Jimmerson pass combination brought the final score to 13 to 12, in Woodrow's favor.

Homecomers Elated By 27-0 Win Over N.D.

When Woodrow Wilson met Kimball at Pleasant Grove Field on October 27 it was rainy and cold.

In the first quarter the Knights went ahead with a touchdown but failed on the extra point try. The Wildcats came back in the second quarter with a pass from England to Jimmerson and also failed to convert. The score was then tied at six to six. Before the game was over the Knights managed to make another T.D. and two extra points. The final score was Kimball 14, Woodrow Wilson 6.

North Dallas was met and defeated by the Woodrow Wilson Wildcats at the Wilson Homecoming game on the third of November.

The first of four touchdowns was made by Cotton Tolnay who, in the first quarter, intercepted a pass and ran twenty-three yards to the end zone. David England ran over from the two for another T.D. in the second period. In the third period a 77-yard march was good for another seven points when England went in from the one. In the last quarter Hal Smith scored on a ten-yard run. Bill Goodwin made all but one extra point making the final score 27-0, Woodrow's game.

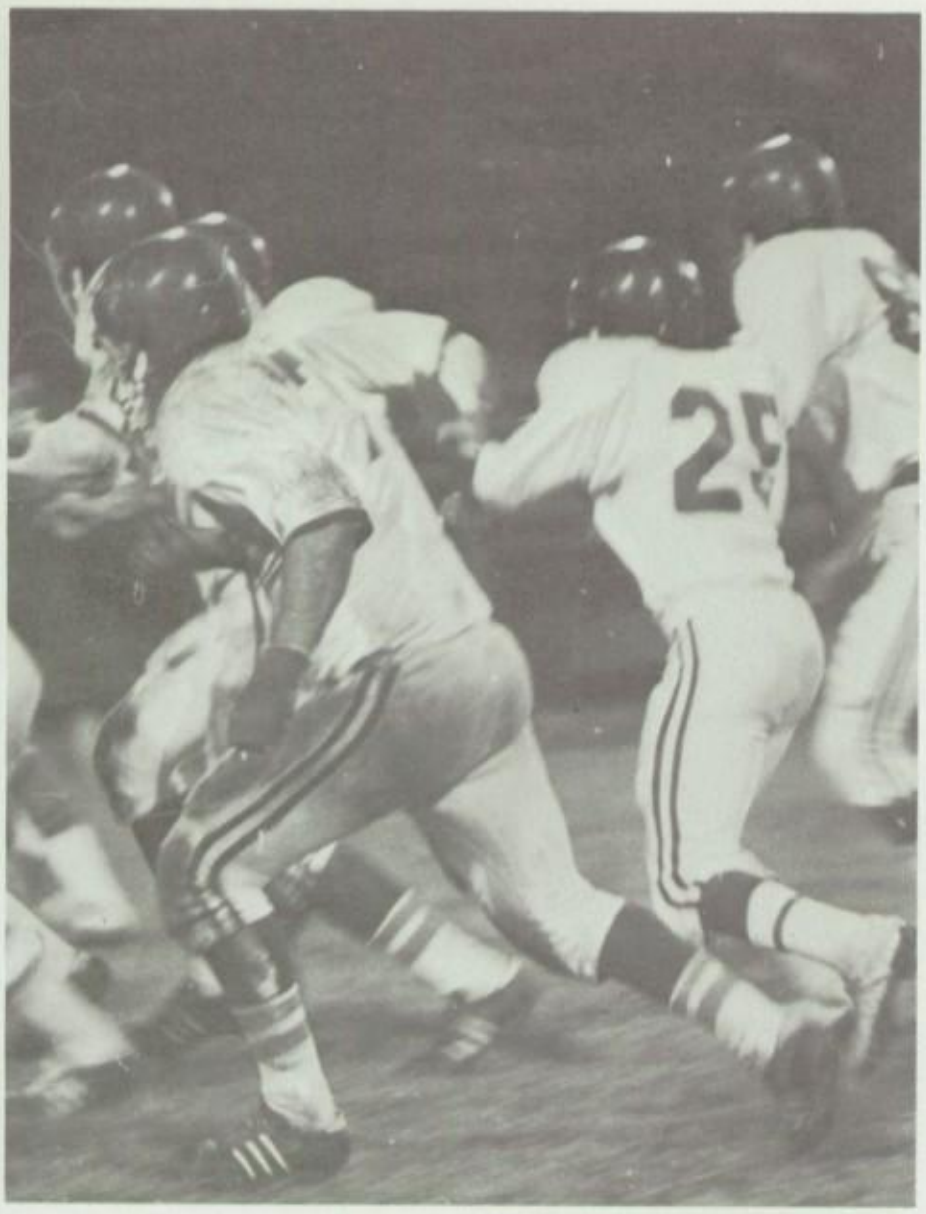
Woodrow Gets It Together; 34-14 Over Pinkston



The Woodrow Wilson Wildcats closed their football season with a strong win over Pinkston. It was cold and rainy at Franklin Field, and few people came.

Woodrow scored their first T.D. in the first quarter, with Hal Smith running it in from the two. The score was tied in the next period when Pinkston made a long run, but they were not able to convert. The other Wilson scores came on a five-yard interception runback by Hampel. The Vikings were able to score once again, making the final score 34-14.

Possibly the toughest game of the season for the Wildcats was played on November ninth at Forester Field against David Carter High.

The Wildcats came out fighting, and with the help of a new defense and a shot-gun offense, held the highly rated Carter team to an embarrassingly low score: Carter 14, Woodrow Wilson, 0.

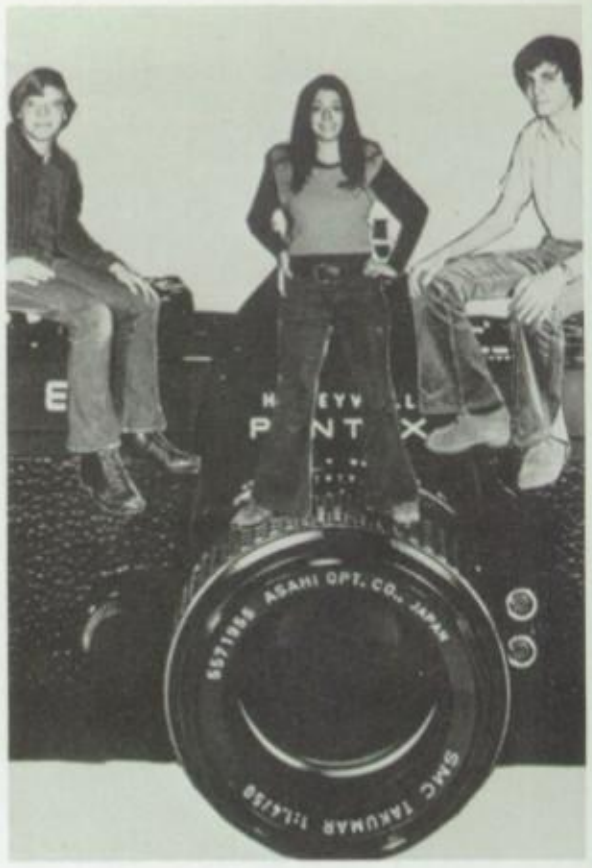
Yearbook Staff Attends SMU Workshop

"Are you busy?" "Would you write some copy for me?" "Can you help me crop this picture?" These were a few of the familiar questions heard daily in seventh period annual staff. Besides the mumbling of numbers as in counting out headlines and words in copy, occasionally one was heard chuckling at an amusing picture.

The yearbook staff was selected by teacher evaluation principally for such qualities as dependability, behavior, teachability, honesty, industry, and grades. In the spring of 1972 they met every Friday morning at 7:45. At these meetings, the yearbook theme, format, basic principles of yearbook production wer studied, and the editors of the various sections were chosen.

Several of the staff members attended the Southern Methodist University Summer Workshop last August, which was said to be profitable for all.

The staff took pride this year in putting together what they felt was one of the best yearbooks ever presented.



1972-73 PHOTOGRAPHERS: Frank Everts, Loise Hernandez, and Keith Towell.

1972-73 CRUSADER STAFF: Mr. Paul Allen (sponsor), Carol Whalen, Linda Storm, Shelly Lundy, Nina Cook, Ann Sellers, Nancy Thomas, Connie Jones, Vicki Seale, Donna Edwards, Christie Ingersoll, Lisa Taylor, Karen McCann, Jerry Worrall. Newspaper Staff Adopts New Name

Juniors and seniors noticed something different about the Woodrow Wilson Newspaper last October. The name was changed to the "Wildcat", thus discarding the title "Woodrow Wilson News." Another change introduced was that every copy had an individual number stamped in the top margin. Then, during fifth period a drawing was held in the principals' office for the purpose of giving away several prizes to the lucky holders of the numbers drawn. The prizes awarded included a free dinner at a drive-in-restaurant, a five dollar bill, two football tickets, a turkey and an array of many other surprises. The purpose of the drawings was to increase sales, which had been declining from year to year. It was decided this year not to sell subscriptions, but to sell individual copies of the paper for 25¢.

The *Wildcat* was published by the journalism classes under the direction of Mr. Dale Smith. Mr. Smith "inherited" the journalism department from Mr. A. S. Johnston, who had it for some fifteen years. Editor-in-chief Anne Russell, along with associate editor, Robin Campbell, helped the staff members with any of the problems they faced while publishing "The Wildcat Newspaper."

MEMBERS OF THE 1972-73 WOODROW WILSON NEWSPAPER STAFF: Cindy Cofer, Shirley Williams (circulation editor), David Varela, Becky Thompson (news editor), Jennifer Younger, Anne Russell (editor-in-chief), Michal Reyna (editorial editor), Debbie Campagna (feature editor), Mark Smitheno, Robin Campbell (associate editor), Debbie Smith, Ann Roy (special news writer), and Mark Shuler.

Key Club Keeps Busy

Under the leadership of Gary Collett and Alton Hill, sponsors, and the officers, the 1972-73 Key Club had a very successful year. The Key Club is a service club made up of selected seniors, juniors, and sophomores. The group is sponsored by the local Kiwanis Club.

The Key Club had many projects throughout the year, the most famous around the Woodrow school grounds being the cold drink and popcorn stand at the home "B-team" games and at other school programs. They also took part in the March of Dimes Twenty-Mile Walk. In the spring the officers of the club, along with some of its members, attended a convention in Houston.

ROTC Wins Awards In City

On Saturday November 11, 1972 the Woodrow Wilson ROTC went to city competition. The Wilson ROTC was the only one in the city which had girls participating in the competition. At the end of the day the members of the ROTC had placed third in the D.I.S.D. competition.

Later in the month senior Bill Blasiar won several awards at R. L. Turner High School in Carrollton.

This year more students were willing to join the ROTC when they learned that the hair and dress codes had been relaxed.

Military knowledge, discipline, and an efficiency led to the ROTC's earning many awards. Woodrow's ROTC is led by Sergeant/Major Don Bacon, assisted by Sgt. Alphine Freeman. Sergeant Bacon stated, "Military ROTC helps to build young men's characters and teaches them responsibility."

Council Works On Homecoming

The 1972-1973 Student Council did many exciting things. The earliest grand event was the Homecoming dance, the theme "Out In The Country" was acclaimed a big success. The council members had the goal of perfection in everyone of its activities. President Peter Hample, led them towards this achievement with the aid of Mike Farris as vice president. Secretary Charlotte Sharp took notes at every meeting. The three committee chairmen were Nancy Thomas, Christie Ingersol, and Chris Jones. Mrs. Ruth Strubble and Miss Judy Eppright, sponsors, were willing to lend a helping hand. The Council initiated many new projects this year. Some attended Life Leadership labs at different high schools around the city, which proved to be an aid to many potential leaders.

The students involved in the Council were elected in their homerooms, and each homeroom had a representative, who was responsible for informing their homeroom what took place at each meeting.

The Council had meetings once a week during either the second, third, fifth, or sixth period. Meeting in the library.

Student Council members were elected twice in a year, once for the fall term and once for the spring term. The members of the spring term group would also work during the summer to improve their school. Although the members are elected for a half year, the officers hold the offices throughout the school year. This new plan has worked very successfully this year, sponsors said.

Caps and gowns and the room for the All-Night Party were among the many things decided by the senior committee this year.

Sweethearts Stay Busy In, Out Of School

The 72-73 Sweethearts ended their duties this year with the annual drill team banquet at Lakewood Country Club. It was the last of the many activities for the drill team. During the year, some of the squads, led by Patty Ozmun, Christie Ingersoll, Colleen Geary, and Jeanette McGoldrick, have had money-making projects, such as bake sales, to buy things like crepe paper. Still there was a lot of work to be done in drill team and Miss Addington, the drill team sponsor, with the help of Lisa Taylor, the head captain, was there to see that it was done.

P.A.S.F. Planned Carefully For San Antonio Convention

This year the Pan American Student Forum had more members than ever in recent years. The P.A.S.F. was planning to send a small percentage of its members to a convention in San Antonio in April. In order to go to the convention, the club had successful money-making projects, including bake sales and cookie sales. In charge of the projects and activities were the officers, all seniors, and the club's sponsor, Miss Betty Parrett.

Athletes Unite For Christ

Promoting a Christian atmosphere in all events of sports was the purpose of the Fellowship of Christian Athletes. The meetings were scheduled on Tuesday evenings at 7:30, in room 113. One of the newer clubs of Woodrow Wilson, the Texas Association of Health Occupation Students (TAHOS) was also one of the most active. Sponsored by the class instructor, Mrs. Cora Hobson, the club members engaged in several money-raising projects and were honored by the Parent-Teacher Association at a banquet for all career clubs in the school lunchroom in October. Only students of the health occupations classes are eligible to be club members.

1973 Shows Red Cross Cares For People

Especially important to the Woodrow Wilson chapter of the Red Cross was the goal of *caring*. The representatives, who were elected in each homeroom, had many activities emphasizing their key word. During the Christmas season various members of the Red Cross made the traditional Christmas stockings that were sent to the Veteran's Hospital in Bonham, Texas. This last summer numerous volunteer jobs in the city were offered by the Red Cross to anyone willing to help.

Students Assist Faculty

Everyday in the library, one searching for information can be helped by volunteer student helpers who make-up the Library Council. The students are chosen from the study halls and their job includes such activities as checking in and out books, delivering call slips for overdue books, and puting up returned books. Projectionists could be found every day when their assistance was required.

PROJECTIONISTS: Jay Vittitow, Paul Bozarth, Jeff Taylor, Mr. Gary Collett, Dennis Wells, and Gary Sampson.

Set Creation Is New Class' Duty

Anyone who passed through the auditorium during second or fifth periods saw the stagecraft crew doing anything from sewing to hammering and sawing. Constructing and painting all the scenery for the school plays and musicals is the job for this crew, whose members are enrolled in a class taught by Mr. Jerry McKinney.

They often worked after school and at night. Their chief project was construction of the set for the musical *Carousel*, presented by the music department in May.

W.W.W. Band Is At A Re-building Stage

As the band marched out along the field, they were led by drum majorette Lynn Davis. Following not far behind were the twirling twins, Martha Watts and Mycelia Lauderdale. Daily throughout the school year the band practiced on routine for the football half-time shows. Each morning they practiced with the drill team, in order to be synchronized on the field. During the Christmas Holidays the brass choir of the band performed with the concert choir in a special arrangement of Daniel Pinkham's "Christmas Sinfonia." Their director was Mr. Jack Hardwick who was acclaimed outstanding by his students.

The only honor won this year by a band member was won by Mycelia Lauderdale for her excellence in twirling competition.

During the spring the band presented an assembly for the P.T.A. The concert was the first time that the concert band had performed. It was such a success that it was later presented to the student body. The final activity for the band was playing for the graduation. "Woodrow's band has been at a re-building stage," stated Mr. Hardwick.

V.O.E. And F.H.A. Help Students

All students in the homemaking department were eligible to join Future Homemakers of America. This club was started at Woodrow last year but has been a national organization since 1945. The main goal of its members was to help individuals improve personal, family, and community living. The club's sponsors were Nancy Wilkinson and Sarah Stovall.

All members of the vocational office education classes were required to become members of the Office Education Association Club. The P.T.A. honored this club, among others, with a banquet in the school lunchroom in November. This year the officers were Billy McLain, president and Jackie Kwan, secretary. Several members attended the area conference at Austin. Mrs. Maryhelen Feeley, V.O.E. instructor, was club sponsor.

Sensible Driving Concerns J.C.T.C.

In November the Junior Citizen Traffic Commission attended the annual convention of Students for Traffic Safety where they discussed subjects relating to automobiles and driving. Another activity of the commission was its yearly safety assembly in the spring. Coach Alton Hill sponsored the club for the third year. There were nine members.

Each year the J.C.T.C. works at showing their concern for safety and maintaining safety standards at Woodrow and in the surrounding community. This year was no exception.

Vocational Industrial Clubs of America develop skilled manpower, citizens and leaders of industry. The members of VICA are in the ICT (Industrial Cooperative Training) program. In class under the instruction of John Mitchell these students study about the career fields of their choice in books. They sold calendars and candy in order to raise money. And attended competitions in Waco with clubs from other Texas schools.

International Club Eats Hearty

Enjoying foreign cuisine was the highlight of the International Club meetings. Foods from all over the world could be seen laid out in a beautiful array at every meeting. The meetings were held the last Monday of every month at one of the many members' homes.

Presiding over the meetings this year were the new officers, Kathy Russell, president; Charlotte Sharp, vice-president; Frank Everts, secretary; and Brad Welch, treasurer. Whenever the officers needed help Miss Helen Eckelman, the International Club sponsor, was there to help in anyway she could.

In the club, members celebrated many foreign holidays such as the German Octoberfest. In January the foreign exchange students from all the schools in the Dallas area were all invited to the big get-together for Woodrow's Food Tasting Festival. There were representatives from many places all over the world, including Woodrow's exchange students from Portugal and Austria.

Concert Choir Is Very Active

Entertaining their listeners with productions of serious, religious, popular, and classical compositions, the Concert Choir this year, more than in previous years, has been very active with special programs for many clubs and schools in the Dallas area. Besides singing in the special choir programs at Woodrow, the choir also presented programs for Rosemont Christian Church, Adelle Turner Elementary School, Fred Lawrence Junior High, and many other schools.

The Choirs presence was also requested at the State Fair for P.T.A. Day. In April, they sang at the Apparel Mart for the P.T.A. Presidents' Luncheon. Even with all these programs the choir still managed to present their annual school musical. This year they presented Rodgers and Hammerstein's "Carousel" in early March.

Seven Named To All-Region Choir

Anyone ever having dropped by the portable building after seventh period might have seen or heard sixteen talented musicians hard at work along with their director, Jerry McKinney. The sixteen people; four sopranos, altos, tenors, and basses are the ones that make up the Woodrow Wilson Madrigal Choir. The singers composed of a select group from the concert choir, selected on the basis of their singing ability.

On October 21 the Madrigals went to regional Choir tryouts which were held at Southern Methodist University. Doug Adams and Ralph Pulley not only made All-Region Choir, but were also named finalists for All-State Choir in the tenor section.

Another group of hard working musicians at Woodrow was the Girls' Choir. Under the direction of Mr. McKinney the choir put in hours of work to achieve that assurance that has carried them to competition at the Interscholastic League Choir Contest. They had also presented their talents to the student body and the P.T.A. The girls were caught up in the spirit of the musicals by painting scenery and serving as ushers and make-up artists.

Twelve of the fifty senior members were inducted last year. The new members were first told of their selection February 26 during homeroom period, when two-year members pinned a symbolic ribbon on them as their names were announced over the public address system. The induction ceremony for the new members was held March 1 at 7:30 pm in the auditorium. All members were honored afterward at a reception. Mrs. Martha Timm, and Mrs. Anne Graham were the sponsors. A large asset to the school offices is the students who aided the school staff. In the counselors' office, the aide delivered call slips, filed program cards, and ran general errands. These office workers volunteered to assist in the office rather than go to their study hall.

Cheerleading Crew Composed Of Peppy Srs.

Four young men and four young women — all juniors — Donna Crapanzano, Sheri DeWitt, Jeff Hall, Gary Higgs, Karen Parker, Ralph Pulley, Margaret Thaxton, and Jimmy Wallof were elected to the coveted position of cheerleader for 1972-73, in the spring of '72 by the students.

They spent an exciting week at Southern Methodist University Cheerleading School, learning new yells and perfecting their skills. They were thrilled to receive the "spirit stick" award along with one blue, three reds, and one white ribbon for their excellence in performance. A few weeks before school began and every morning during the year were spent practicing. During the seventh period the cheerleaders would paint banners and decorate the auditorium for pep assemblies.

People who play games

Wildcats Start Slow, Finish Strong

After three weeks of vigorous spring training, last April and May, 40 football athletes were divided into two inter-squad teams, the Red and the Gray. They met at Forester field and played to a final 18-0 score, with the Gray on the top.
On August 21 the team returned to the practice field to begin fall workouts. The coaches put the team through strenuous drills, exercises and plays, in unusually hot weather, in an effort to build what they hoped to be a championship team.

The Wildcats started off their season with three losses, but they came back to win most of the rest. The Wildcats' happiest upset was the win over the highly talented South Oak Cliff Golden Bears, 14 to 12, in the Cotton Bowl on High School Fair Day.

Several of the members of the Wildcat team won special awards. Among them were: David England, Randy Cooley, Preston Rogers, Bill Goodwin, and Glenn Wheeless.

Wildkittens Were Best In City

The Woodrow Wilson Wildkitten football team's 9-0 season tally turned out the best in the city. The 30 squad members combined what Coach Paul Wilson called "an excellent attitude with a supreme effort in the Woodrow tradition," to accumulate an average of about 20 points per game. The game acclaimed as the most exciting was a 10-8 come-from-behind victory over Carter. During the nine season games the opponents averaged a mere 12 points. Team members definitely feel prospects for next season are good. The juniors leading the "B-squad" were Mark Dillion, Steve Echard, Mark Gaskill, Robert Lee, Keith Richardson, and Dennis Wells.

Cindermen Hopeful

The Wildcat Cindermen had several squadmen from last year returning for the 1973 season. Coach Alton Hill foresees junior Randy Cooley to be an outstanding shot-putter. Last year Randy set a new district record for the sophomore shot with a distance of 49 feet 8 inches. Already, this year, Randy has a 52-foot mark. Coach Hill is hoping for Randy to achieve a 60-foot mark in his senior year. This would rank him among the best in the state. Another hopeful, according to Coach Hill, is junior Glenn Wheeless. He finished 3rd in last year's district meet with a time of 23.1 seconds for the 220-yard dash. He hopes to do better this year. Sophomore Cotton Tolnay, is a promising new member of the team. He has already clocked a time of 23.2 seconds for the 220-yard dash and hopes to break the school record in the 100-yard dash, which is 9.7 seconds. Coach Hill expects him to become one of the finest sprinters to come through Woodrow.

Swim Team Splashes Into Competition

The Woodrow Wilson Girls' Swim Team had great potential for achieving recognition. The team practiced at Alamo Pool nearly every weekday day during the seventh period, under the direction of Coach Robert Green. This year the swim team entered a wide array of events in their district and city competition. Besides swimming in regular city competitions, the girls also participated in special invitational meets. The only two returning lettermen this year were: Lisa Taylor and Merrill Kelham, both seniors.

Also receiving a special award last year was a junior, Ramona Crain. Coach Green stated, "The team really looks good this year, and I expect the best out of every member. This year the number of members increased ten over last year's membership. The majority of this year's Swim Team is sophomores. In a few years the Swim Team is expected to be one of the best that Woodrow has ever had, and Woodrow has had some very good teams. Coach Green this year is expecting at least 10 of the 22 members to letter.

FRONT ROW: Mary Ann Smith, Sally Goodson, Patty Peterson, Martha Bobadilla, Lisa Taylor, Jane Henry, Ramona Crain. SECOND ROW: Rita Flores, Pattie Taylor, Jo Ann Ball, Lynn Laceky, Devon Fulbright, Annette Parks, Valerie Kunkel, Nancy Hecht, Merrill Kelham. THIRD ROW: Genie Salerno, Donna Berry, Kim Mersserschmitt, Lou Crawford, Sandy Fisk, April Reid, and Bob Green (coach). NOT PICTURED: Ginger Ehrhardt, and Tami Welch.

Swim Team Is Mostly Juniors

The 1972-1973 Woodrow Wilson Boys' Swim Team consisted mostly of juniors. The Woodrow Wilson Wildcat Swim Team was coached by Bob Green, who stated, "Although most of the swim team's members are underclassmen, their determination and hard work showed successfulness this season." The team practiced several times a week to perfect their strokes and to cut down on their time. Each afternoon they practiced at Alamo Pool.

This year there were no returning lettermen. Coach Green believed the main reason for this was the fact that the point system was changed last year after practice had already begun. Some of the boys who received special awards last year were: Miles Sheerin, Sam Harrington, and Danny Miller.

Coach Green feels like the swim team is at a "rebuilding" stage. He feels that in future years the team will be as good as it once was. This year the team is expected to go far in city and regional swim meets, he said.

Varsity Cagers Win Trophy

Coach Euril Henson started his second year at Woodrow Wilson last August, and the record reveals that the basketball team has improved greatly. This year the team played eleven pre-district games and sixteen district games. They also played in two tournaments. The opening game of the season was on Wednesday, December 13, against Hillcrest, and the Wildcats started their season off happily by taking the Panthers. The first of the two early tournaments was played in Garland, and the Wildcats brought home a trophy. The second tournament was the Dr. Pepper tournament, held at Loos Field House during the Christmas Holidays. Although the team did not place, they still gained the experience that was necessary in a successful season. Coach Henson stated, "I am very proud of the team, and all of the students at Woodrow should be just as proud."

Soph Basketball Team Start Season With Win

The Wildkitten basketball team practiced every afternoon during seventh period and many times after school. The 1973 team consisted of about twenty members, mostly sophomores, and was coached by Mr. Paul Wilson.

The games were played prior to the varsity team games at the field houses. The team started off well by defeating the Hillcrest Panthers. Altogether they played eleven pre-season games and sixteen district games.

FRONT ROW: Sammie Steed, Ramon Rodriguez, Choice Smith, Glenn Burton, Mike Ashmore. SECOND ROW: David Stubblefield, Bobby Kennelly, Glenn Skinner, Darrell Fuller, Ernie Wilkes. THIRD ROW: Dennis Barryman, Thester Campbell, Mark Turner, Larry White. BACK ROW: Jim Hyde, Roy Young, Randy McFarland, Coach Paul Wilson.

New Baseball Plan

March 14 started district play for the baseball team. There were two new concepts this season. First the schedule was increased from nine games to fourteen games. The other concept is the holding of the city-wide Easter tournament, which involves all the Dallas high schools and one Fort Worth high school. As the *Crusader* went to press, this tournament had not been held. Coming out of the '72 season, Woodrow had an eleven-win-thirteen-loss record. The team finished third in their zone. Coach Collett remarked that, as last year, this year's team was inexperienced. The team had three returning lettermen, seniors, Mark Littlejohn, David England, and Paul Bozart. David and Paul were named to the all district team. David was second leading hitter with an average of .393, and Paul had a .285 average.

W.W. Volleyballers Win In City

The 1972-73 school year was the first year for Dallas Schools to have boys' volleyball as an interscholastic sport. Woodrow Wilson's sophomore team won the city championship, defeating South Oak Cliff sophomores at Forrester Field House, 2 games out of 3.

There were also a junior team and a senior team. The teams consisted of the best players out of all gym classes. They were coached by Ernest Scotch.

WOODROW WILSON VOLLEYBALL TEAM: FRONT ROW: Chris Diniban, Tom Karl, Ernest Lee, Louis Perez. SECOND ROW: Terry Barnett, Eddie Lyndon, Robert Rico, Ernest Scotch (coach). THIRD ROW: John Sullivan, Roy Carmichael, and Robert Coursey.

Most Practices Rained Out

Mr. Raymond Mattingly started his second season as coach of the Woodrow Wilson Golf Team. This year there were three returning lettermen: Henry Latimier, David Sword, and Jim Harwood. Out of the seven sophomores, Jake Metzger and Kent Krank were outstanding.

District play for the linksters began on February 3 and ran thru March 24. During these two months they played eight district games. Before district play the team competed in a citywide tournament, but the outcome of the tournament was not as good as in previous years. The team practiced at Tennison Memorial Golf Course every afternoon, weather permitting, at seventh period. Because of the bad weather in the early fall, the W.W. golf team did not get to practice as much as they wanted.

Returning lettermen: Henry Latimier, David Sword and Jim Harwood.

1972-73 GOLF TEAM: Jake Metzger, Kent Frank, Darrell Cartwright, Stanley Smith, Wayne Cavaness, Jim Wood, Daniel Sword, Jim Harwood, Robert Brown, Henry Latimer, and Coach R. E. Mattingly.

Tennis Team Stayed On The Ball

"When the frost is on the punkin' and the cold north wind is blowing," the Woodrow Wilson tennis team can be seen at Samuell Park demonstrating their skills and techniques. Practice began early last fall and continued through the winter months.

Expectations were high for the tennis team as the season opened, with six returning lettermen, Kirke Smith, Kyle Smith, Larry Smith, Glenn Tate, Barbara Fugate, and Kit Fugate. Other promising players were Glenn Tate and Ricky Williams. Mr. Ernest Scotch was also heard to say that Gisselle Marques was the best exchange student we've ever had.

Last year the tennis team came out even with four wins and four losses. This year started well, with Barbara Fugate finishing third in the Fall at the Dallas High School Tournament in the singles division.

Mary Ann,

It's really been great knowing you these years. You've been my best & closest friend and I really appreciate your friendship.

Dearest Mother,

I am so sorry that I haven't written to you sooner but I have been very busy. I am very glad to hear that you were pleased with the Christmas gifts I sent you. I hope you like your new dress. I am very glad that you are all enjoying yourselves at home. I wish I could be there with you. I am very sorry that I will not be able to come home for Christmas but I hope that you will have a very happy Christmas and a prosperous New Year.

Love from

Peter

Dear Mary Ann,

Well, it's over! I guess it hasn't really been long enough to be in school, it seems so short. All I can say is that I'm glad that I got to know you, and thank you for the time we had together. I'll always remember them!

Love,
Mike

Dear MaryAnn
You're the sweetest
and most understanding person I
know! I really think
the world of you. I hope
your recovery is a short one,
just sit back & take it easy - it is
kind of hard to do at the start, though
but do it. Oh well, chin up! I can't
wait to see you at SFASU!
I love you,
Darcy

Mary Ann,
I'm so enjoyed
getting to know you this
year. Though I've known
you for a few years I
feel like I've actually
become friends this year.
I want to wish you the
best of luck at Stephen F.
and best wishes always.
Love,
